

# HEEN @ KPS

29th October @ 3:30pm

## Hawkesbury Environmental Educators Network

HEEN is held once a month and is an opportunity for people working with children, young people and the environment to:

- connect with a larger network of educators and environmental professionals working in this area and learn from each other
- receive support for environmental and sustainability education
- get inspired by the work other people are doing in this field
- opportunity for professional development
