Brewongle EEC Open day and Reunion

Saturday 19th May 2018 10am-2pm

We are throwing our doors and forests open to the community!

Brewongle Environmental Education centre is a NSW Public School facility that caters to NSW students for day and camp excursions. Our site was previously known as Sackville North Public School. Drop in to visit our historic 1878 classroom and heritage sandstone building, gardens and surrounding grounds.

Activities on the day:

- School reunion for students of the former Sackville North Public School
- Free BBQ lunch
- Dipnetting in our ponds for tadpoles and ochre face painting for the kids (of all ages!)
- Tours of our 1878 classroom and grounds
- Discover the rich Aboriginal and European heritage of this site and meet our staff.
- Native tree planting
- Sustainable living tips and tricks

Gold coin donation, clothes for the weather and smile is all you need!

Please park in the bus bay next to the Sackville School of the Arts at 730 Sackville Ferry Road and follow the signs down the hill to our centre.

Steven Body – Principal.

587 Chapel Hill Road, Sackville North NSW 2756
