Leadership & Team Building

This unique blend of team building, communication, problem solving and outdoor challenges is a camp, day program or incursion for leadership students in your school. Ideal for building enthusiasm and leadership qualities in your students, we provide hands on, fun and team-oriented activities. This program is the first step in the optional Brewongle Leadership Award – students can embark on environmental, community and school projects back at school to receive their awards in Term 4.

- Brewongle day program - 1 day program
- Brewongle camp - 2 day overnight camp program. Includes kayaking and overnight activities.

Activities

Initiatives/Teambuilding Challenges - Students work in teams to master our ping pong challenge, magic carpet squares and blindfold bushwalk.

Mission Codebreak - Students work in teams using GPS units, maps and walkie talkies to find and solve hidden problems. They then radio in their discoveries to mission control to break the master code.

Conflict Resolution - Students role-play different scenarios in small groups before debriefing on the leadership qualities used.

iPad Movie Making - Students storyboard, rehearse and film a short film documenting how they will implement leadership and complete the Brewongle Leadership Award throughout the year at school.
